

RE

In RE this term we will be thinking about what it means to belong to a community. We will be looking closely at Christian, Muslim and non- religious weddings.

Music

In our music lessons we will be learning to keep a steady beat and will be learning to perform 'Zootime' a reggae song by Joanna Mangona.

PE

In PE we will be focussing on our striking and fielding techniques. We will be doing lots of throwing and catching, trying to improve our aim and work on how to field an area against our opponents.

Computing

We will be learning about spreadsheet and how they are made of rows and columns. We will then input some of our own data into a spreadsheet.

Dear Parents and Carers,

Our new topic, which will run until the end of term 5 is, 'Evolving Earth.' Here is an overview of what we will be learning about in each subject. If you have any questions, please speak to one of the team.

Many Thanks
The Year 2 Team

Evolving Earth!

Reading

Please remember to read with your child at least three times a week and encourage your child to remember to change their book.

Literacy

In Literacy this term we will be focusing on a range of different stories and poems such as Emma's Lamb and our Treasured Y2 Rhymes.

Maths

In our maths this term we will be focussing on multiplication to begin and will then move onto some fractions.

Use 'Top Marks, Hit the Button', to practice at home.

Here is the link to do so: [Hit the Button - Quick fire maths practise for 6-11 year olds](#)

History

In our History this term we will be learning about Charles Darwin and all of the wonderful places and animals he discovered.

Geography

In Geography we will be learning about the 7 continents and 5 oceans. Exploring each continent in terms of its animals, climates and landmarks.

Art

In our Art sessions this term we will be looking at the artist Rennie Mackintosh and will be trying to improve our drawing techniques. We'll also have ARTS WEEK! Where we will be looking closely at Gabriel Munter and her paintings. We'll be improving our skills of colour mixing and will create our own piece inspired by Munter's work.

Science

We are learning about lifecycles of humans and animals. We will also learn about what animals need in order to survive as well as how to keep healthy. After Easter, our topic is plants where we will be learning about what plants need to survive. Look out for the Science Knowledge Organisers for more info on parenthub.
